Government Micro-Purchase Service Overview

Purpose

This document outlines a set of **pre-scoped professional service offerings** designed for use under the federal **micro-purchase threshold**. These offerings are structured to reduce procurement friction while delivering immediate operational value.

All services are suitable for purchase via the **Government Purchase Card (GPC)** when applicable.

Core Principles

- All offerings priced **below the \$10,000 micro-purchase threshold**
 - Designed for **rapid execution and short delivery cycles**
 - **Purchase Card-ready**
 - No long-form contract required for micro-purchase engagements
 - Clear scope, defined outcomes, and documented deliverables
-

Available Micro-Purchase Offerings

1. Rapid Messaging & Narrative Alignment Kit

\$9,500

A focused engagement designed to clarify messaging, intent, and alignment for government programs, initiatives, or stakeholder communications.

Typical use cases include:

- Program or initiative narrative alignment
- Leadership or stakeholder briefing preparation
- Internal or external communications clarity

Delivery:

Remote or hybrid delivery. Defined scope with documented outputs.

2. Executive Briefing or Working Session (Half-Day)

\$7,500

A facilitated working session designed to establish shared understanding, decision clarity, and execution alignment.

Typical use cases include:

- Leadership alignment sessions
- Program kickoff or reset
- Cross-functional coordination

Delivery:

Half-day session with structured agenda and follow-up summary.

3. Discovery & Direction Sprint

\$4,500

A short-cycle assessment focused on identifying risks, gaps, and recommended next steps.

Typical use cases include:

- Early-stage program evaluation
- Communication or execution gap analysis
- Pre-planning or exploratory assessment

Delivery:

Brief engagement with documented findings and recommendations.

Compliance & Administrative Notes

- U.S.-based small business
 - **SAM / UEI registered**
 - No prohibited foreign technology dependencies
 - No Chinese or Russian technology affiliations
 - Receipts and documentation provided within **24–48 hours**, when applicable
-

Purchasing & Coordination

These offerings are designed to support **micro-purchase acquisition pathways** and may be purchased using the Government Purchase Card in accordance with applicable policies.

Submission of an offer request or coordination inquiry does **not** obligate funds or initiate a contract.
